About

MEGHALAYA

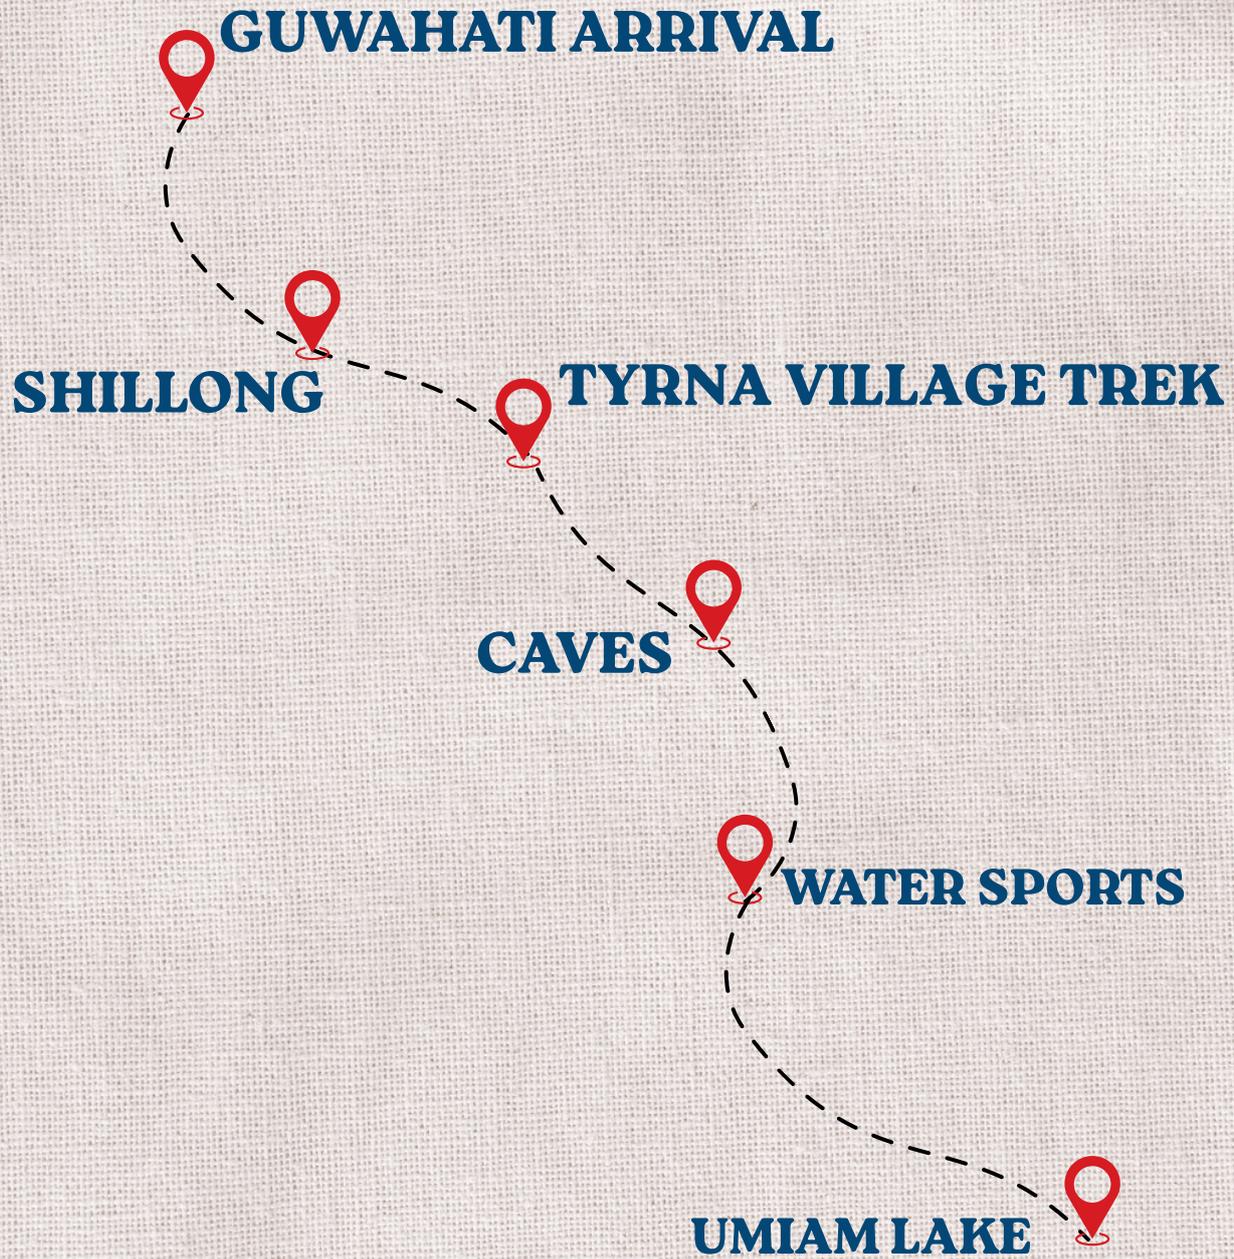

Meghalaya, the “Abode of Clouds,” is nature’s own masterpiece – a land where waterfalls pour from the skies, rivers run crystal-clear, and living root bridges tell stories of resilience. From the misty Laitlum Canyon to the vibrant blues of Krang Suri, from boating on the glassy waters of Shnongpdeng to exploring Asia’s cleanest village Mawlynnong, every step feels like walking through a postcard.

With Roads You Travel, this journey is not just about places – it’s about living the magic of Meghalaya, one unforgettable moment at a time. ❤️🌟
